

Be A School Wellness Champion

Parents, we need your help to make our school healthier!

Children spend most of their day at school. So, it's important that they have healthy foods and drinks while they are there. Good nutrition also helps kids learn better at school. Our school wellness policy tells how our school is making the healthy choice, the easy choice for kids. Parents can help update the school wellness policy and to put it into action.

4 ways parents can help:

1 Join the school wellness committee.
You do not need any special training to be on the committee, just an interest in keeping our school healthy! We will announce our next meeting soon. The wellness committee normally meets **four times a year** to work on projects to help make our school healthier.

2 Read the school wellness policy at www.inlandleaders.com. For questions or more information, contact: **Terah Gordon** at nurse@inlandleaders.com

3 Support classroom and school events to have healthy foods and get kids physically active. Keep the wellness policy in mind when planning what foods and beverages to have at events and celebrations.

4 Rate our school wellness. Share how our school is doing in promoting good nutrition and physical activity at: nurse@inlandleaders.com
